

NEVADA COORDINATED CAMPAIGN • 2026 GENERAL ELECTION

BE A POLL OBSERVER.

Every vote counts, but only if the count is protected. This fall, Nevada needs defenders. We need people willing to show up at early voting sites and vote centers and protect every Nevadan's right to vote. That's you.

WHAT YOU'LL DO

- Watch over voting at an early voting site or Election Day vote center
- Keep an eye out for anything that doesn't look right
- Report what you see, so our team can act on it fast

WHAT YOU'LL NEED

- Reliable transportation to your site
- A cell phone to check in and report what you see
- Availability for a full shift: 7am - close; early voting or Election Day
- A calm, steady presence

HOW WE'VE GOT YOU

Every observer gets full training on how to use the technology, what to expect, what to watch for, and exactly who to call. You'll know your site, your hours, and your team going in.

WHY IT MATTERS

We are Nevada's Voter Protection Community: a committed team and fighting force protecting every Nevadan's right to vote, and making sure every ballot counts. Poll observers are where that promise gets kept. We are the eyes in the room defending that right.
