

Sarah Mahler - Candidate for 2nd Vice Chair

After leading our party for six years I am ready to help our party in a new role. As the second vice chair, I will be the Chair of the Fundraising and Events Committee, one of the most consequential roles on the executive board. Washoe County will continue to be one of the top swing counties in the nation and our efforts will again determine the balance of power in the US Senate.

My plans for the WashoeDEMS fundraising include finding new ways to grow our donor base and creating new events. One of our most successful income sources is our Affinity Partners program which is a structured yearly donation from partner organizations.

We need to grow our Affinity Partners as they are an integral part of the WashoeDEMS. I'm so excited to get to work, with help from everyone in the WashoeDEMS family, to make our party and 2024 a success.
