Briefly state why you are seeking to run for this office and any experience you have that prepares you for the position *(you will be afforded an opportunity to submit a more expansive message to WCCC members at a later date):*

As a citizen who firmly believes in giving back to society through service, volunteerism has been a very important part of my life. Service is of such importance to me that I pledged Omega Phi Alpha National Service Sorority while in college, and maintain active alumna in good standing status. While an active member, I regularly engaged in the identification of service opportunities, recruiting volunteers, and managing events. Diversity and inclusion are very important to me, especially as a Latina Native American, female, neuro divergent mother of a transgender son. I'd love to see persons of all kinds represented in our critical tasks of ensuring that we have the representation we desire in our government.
