

**Dominique Elise Labonte**  
for Secretary

Hello, all. As a Nevada native, I have had the privilege of serving for over a decade as a Senior Leader at a Fortune 5 technology company as well operated as a local entrepreneur. My educational background is in Leadership and Political Science.

My professional background is in technology, and as a result, I am extremely proficient in Office Suites for both Apple and Microsoft. I have effective written and verbal communication skills, as well as an extremely high agility for planning and organization. Running my own Leadership Coaching business has even further expanded my skills in managing data bases, email campaigns, running and maintaining a website and much more.

I am extremely passionate about my local community, and in the role of Secretary, by leveraging my unique skills and qualifications. I hope to give back to the community that
