Since 1968 I have been involved in grassroots precinct organizing. After moving to Sparks, I was invited to join the DNC leadership class led by Brian Hutchinson Birch. Recognizing the need for an ongoing voter engagement, Sandy Scott and others initiated a "neighbor to neighbor" strategy. I became an early member of the Precinct Organizing Committee, which later became affiliated with WashoeDems. For the past three years I have been involved in creating and delivering the monthly training for new Precinct Organizers. I currently serve as Area Coordinator for Sparks, overseeing campaign activities with 20 Precinct Organizers and volunteers. Being on the eBoard, and representing Precinct Organizing, I will continue to share the activities of the 180 Precinct Organizers (and growing). I also have some creative ideas for growing our party. Thank You
