

Dear Central Committee,

I want to first and foremost thank you for your consideration of me as your First Vice Chair. To be in a position to run for this position is an honor, and not one I take lightly. I realize the gravity of the situation that we are in as a party, and the potential consequences of our collective actions in the coming year. We must succeed.

In my position as 2nd At-Large member of the board, I have thus far been very active. My priorities have been in Tech Committee, Platform Committee and continuing to organize H.A.C.E.R as an affiliate group of the Washoe Dems. These will continue to be my priorities should I be elected as First Vice Chair. Should I be elected, I am of course eager to expand my endeavors to help the party.

I am willing and eager to collaborate with anyone and everyone in the pursuit of our mission, which is to elect Democrats. In everything I do for our organization, our mission is my priority. Whether that be as 2nd At-Large, or as First Vice Chair, I commit to being a resource for you as individual members, and to the party here in Washoe, and Nevada as a whole.

Only together will we be able to face the challenges that are before us. I seek only to empower those of you who are willing to face these challenges along side myself, and our fellow Democrats. I implore you to take careful consideration of the circumstances here, and vote according to your best judgement. Should you discern that I am worthy of your vote, I will be humbled and honored.

Take care and be well. In solidarity,

Jeremy Pearson
