**Optional: Use this space to state why you are seeking to run for this office and any experience that you have that prepares you for this position.** *(See Election Rules regarding deadline for submission of candidate statements)*

I am running for second vice chair of the WashoeDEMS because I have the experience, institutional knowledge and passion to run the Fundraising and Events Committee. My previous experience is that I was the Chair of the WashoeDEMS from 2017-2023. When I heard that the position was open I volunteered to run the F&E committee in the interim before our next central committee/ election. Since April I have been helping with planning our events including the summer BBQ and setting the contract at the GSR for our formal event in August. My plan is to raise the funds needed to elect Democrats in 2026 and beyond.
